GEORGIA GOLDEN OLYMPICS INTRODUCTION

The Georgia Golden Olympics is a statewide event, held this year in the City of Warner Robins, Georgia, for adults 50 years of age or older. The event provides an opportunity to participate in amateur sports competition, to learn new leisure skills, to discover that physical activity is for all ages, to meet new friends and to share good times. More specifically it is an opportunity to have fun!

A variety of activities are held to make it possible for participation regardless of an individual's age or physical ability. Different age divisions and several levels of ability spread the competition out so there is truly something for everyone. (See Page 6: Age/Category)

For participating, individuals receive a certificate of participation, lunch, dinner and a Golden Olympic T-shirt. Medals are awarded for 1st, 2nd and 3rd place in each event and age category.

This manual is provided to assist you in training for this opportunity and to help you coordinate a local program in your community. We look forward to the day when this will be a year round program. The Georgia Golden Olympics Committee appreciates your interest and support.

GOALS

1. To promote a social, competitive, athletic and recreational experience for older adults;
2. To maintain and improve the health and wellness of Georgia's adults;
3. To promote and create an interest in lifetime sports, recreation and physical activity as a means of enhancing one's quality of life; and,
4. To create an awareness of the abilities and capabilities of older Georgians.

CHECKERS

NUMBER OF COMPETITORS: 50

Age Divisions: 5-year age divisions (50-54, 55-59, etc. and ending with 100+)

RULES:

1. **Single elimination tournament.**
2. Play will consist of best 2 out of 3 games with same partner.
3. **THE GAME:** Checkers is a game played on a checkerboard by two persons. The board has 64 alternating red and black squares. Each player has 12 round flat pieces called checkers. One set is black, the other red. The players sit opposite each other and each arranges his checkers on the first three rows of black squares. Two rows in the center remain open.
The player with the black checkers starts by moving one of his/her checkers one space diagonally forward toward the red checkers. Then the other player moves a red checker toward the black. The checkers can only move forward on the black squares. The object of the game is to capture all of the checkers of the opponent, or to block their progress. If a red checker moves next to a black checker, the black checker can jump over the red checker if a space is behind the red. The red is removed from the board as the black goes deeper into enemy territory. More than one checker may be captured at a time. If a checker reaches the back line on the enemy's side, it is crowned and becomes king. A second checker is placed on top of the king to distinguish it from the other checkers on the board. A king can move backward and forward one square at a time, except when it jumps over one or more checkers.

The rules for qualifying for these events are as follows:

1. If a “LIMITED” event is offered at the State Qualifying Competition in an athlete’s home state, the athlete must qualify for that event by participating in a State Competition and by satisfying the qualifying requirements for that sport for athletes who compete in a State Qualifying Games.
2. If a “LIMITED” event is NOT offered at the State Qualifying Competition in an athlete’s home state, the athlete may qualify for that event by meeting the following criteria:
 - A. **POLE VAULT:** an athlete must submit verification of having met the NSGA minimum performance standards for pole vault in any USA Track and Field administered competition between January 1, 2014 and December 31, 2014.
 - B. **Triathlon:** an athlete must submit verification of having completed two triathlons between Jan 1 and Dec. 31, 2014.

B. **DOUBLES PARTNERS**

Doubles partners who qualify together are not required to play together at the 2015 Summer National Senior Games. All participants must have qualified for the sport in which they intend to participate, with one partner having qualified in the event in which they intend to participate. The NSGA and LOC **will not** assign partners at the Games. Badminton bowling, racquetball, table tennis and tennis doubles partners must be of the same gender. Note: Badminton, bowling, racquetball, table tennis and tennis also have a separate mixed doubles event. Shuffleboard doubles may be of mixed gender. Documentation of player registration must be provided must be provided by the State Coordinator to the NSA. All other team and qualifying rules apply. Non player(s) added to a roster are not subject to player addition limits but the total number of team members may not exceed the roster limit for the sport. The captain will declare the state represented for teams with players from multiple states. If the captain does not declare, the captain's state of residence will be used as the represented state.

"Open" games may qualify the number of state residents specified for each event in addition to the out-of-state qualifiers. All Doubles teams made up of one in-state and one out-of-state athlete will be designated as an out-of-state team.

Competition must take place to determine qualifiers. If there is only one individual entered in an age group, that athlete must enter and complete the event in order to be given the gold medal and to qualify for the National Senior Games. Athletes should be placed in the age division nearest their own in order to compete. Competition for the athletes in this "closest age division" shall be considered exhibition. If there is no other age division athletes will be allowed to play exhibition with registered event leaders or volunteers.

If there is only one team entered in an age division, that team should be given exhibition opportunities with the closest age division. No team shall be qualified without participating in a qualifying game.

E. NATIONAL GOVERNING BODY RULES

All sports/events shall be governed by the rules of the NGB for that sport. The Georgia Golden Olympics has modified some of these rules in the best interest of the participants. All rules shall apply as stated in the NGB and GGO rulebooks. GGO rulebooks in effect the opening day of the Georgia Golden Olympics, shall govern the 2014 Georgia Golden Olympics, unless otherwise noted.

In case of conflict between NGB and GGO rules, GGO rules shall govern.
