### 2008 Georgia Golden Olympics - Winners All Around

#### WEBSITE AWARD

The Georgia Golden Olympics Website was awarded "Best Website" at the National Senior Games Annual Meeting in January. Congratulations to our webmaster, John Brooks. Thank you John. Great job!!!

The 2008 Georgia Golden Olympics was a tremendous success with over 500 athletes attending the annual event. The weather was wonderful and everyone had a great time. The event began with a reception and orientation for volunteers on Tuesday evening. The events began early on Wednesday morning with golf, horseshoes and cycling. The awards dinner was held on Friday evening with "Breakfast at Tiffany's" as the theme. The attire was elegant and everyone played their part.

The annual Barney Ochs Sportsmanship award was presented to Doris Black from Stone Mountain and the Ruth Gaylor Spirit Award was

presented to Lydia Woods from Smyrna. The Parade of Athletes, the athlete reception and the Ball room Dance Competition were held on Thursday evening.

Over 400 athletes qualified for the 2009 National Senior Games Summer Games scheduled for August 1-15, 2009 in the San Francisco Bay Area. The results for the state event were submitted to the National Office and all qualifying athletes have been notified. The registration deadline for the national event is March 1, 2009. ### 2009 Golden Olympics-September 23-26, 2009

The 2009 games are scheduled for September 23-26, 2009 in Warner Robins Georgian and will again be hosted by the Warner Robins Recreation Department. Mr. James Dodson, Director of the department has offered to host the event again and we are planning and looking

forward to the event. The application for the games will be mailed in May and will be posted on the website as soon as possible. The deadline for registration is August 1, 2009. Late registration will be offered until August 15, 2009 but the registration fee doubles after August 1. Team Volleyball will be offered for

the first time in 2009. This is a national event and we hope to have enough athletes with an interest in the sport to keep it on the schedule for 2010 and therefore qualify athletes for the 2011 national games scheduled for Houston, Texas.

## In Love with Senior Olympics

By Reginald and Lydia Howze

### Her Version

I had given up my childhood dreams of becoming a multi-sport Olympian. Life happens and childhood dreams fade into the past. Sometimes life can be pretty cruel and 16 years ago my husband, died of a massive heart attack, at the age of 59 in a doubles tennis match at the St. Louis Senior Olympics. I was left with three teenage sons to continue on with life. After this traumatic experience, however, I never thought that 16 years later, the Senior Olympics would restore to me more than it had taken.

In 2006, I discovered that childhood dreams can be rekindled in the form of Master Sport competition and Senior Olympics. I participated in the Georgia Senior Olympics in Warner Robins and qualified for the 2007 National Senior Olympics in (9) sports and (20) events. A trip to the 2007 USATF Masters Track & Field Championships with my Atlanta Track Club members resulted in a National Gold medal in the 4 X 100 relay and an American Record for women 50-54. By the end of the year I had won 105 medals by competing in Masters sports. My dream had not only been rekindled but unbelievably surpassed.

Now, I literally feared what 2007 would bring. Attending my first National Senior Olympics was my dream come true and quite surreal. That childhood dream of Olympic participation was realized in (8) National awards in Track & Field and Racquetball. Later, that year, I also won (8) awards at the 2007 National USATF Masters Track & Field Championships.

I needed time to absorb all that was happening, but the “Eye of the Storm,” was not over yet. Little did I know that competing in the 2007 Georgia Senior Olympics in the 5K run was where my “Storm” was taking

me. They say that in the “Eye of the storm,” there is great calm and peace. That day the “storm” would set my feet gently down in that 5K race in Warner Robins Georgia.

I met my future husband and life mate, Reginald J. Howze at that 5K race on the last day of Olympic competition. We both won gold medals in our age group, but I didn’t realize that we had won much more than gold. On May 3, 2008 we ran together in a 5K race to commemorate that first Olympic meeting and married in a quiet ceremony that afternoon.

Miracles “happen” everyday to ordinary people. The tragedy that happened sixteen years ago at the Senior Olympics was turned to my good and I am reminded of the scripture, “*All things work together for the good of those who love the Lord and are called according to His purpose.*” This scripture has been manifested in my life. I was *Purposed* to be an Olympian and *Called* to be the wife of Reginald Joseph Howze.

### His Version

The word “Olympics” has had a significant and special “ring” to my ears for as long as I can remember. That word has always signified something exotic and personally unattainable even though I was an amateur athlete (basketball).

Now that I am a Senior, 63, my chronological status has joined the exotic persona of my youth, in the form of the “Senior Olympics.” How exciting, “...the latter is better than the former.”

I started “Fitness Walking” in 1994 at the age of 49 and quickly developed into a Marathon runner by the end of that very same year, running my first Marathon in May of 1995 in Pittsburgh, PA. I estimate that I’ve logged about 33,600 miles of running since then, which led me to Warner Robins, Georgia in a non-qualifying year for the 2007 Georgia Senior Olympics.

There was only one woman in the 5K race, Lydia Woods, a professor at Morehouse College.

I won the Gold medal in that State Championship race, but more importantly, I won the Gold medal of her heart and she won mine. I now know what that significant and special “ring” at the sound of the word “Olympics” was really all about. We were joined in Holy Matrimony on May 3, 2008.

We are registered for the 2008 Georgia Senior Olympics in August and hope to qualify for the 2009 National Senior Olympics. We will run the rest of the Marathon of life together, making a pilgrimage to Warner Robbins Georgia each year for the Georgia Senior Olympics.
